Chipping

- **MANDATORY:** No more than 4 cubic yards placed out at one time; no chipping may be placed in the street; branches must be 4' or longer
- 4 cubic yards is the maximum amount that we will chip for any homeowner at one time. This is roughly a pile that is 6' wide, 6' long and 3' high.
- Begins first Monday of each month
- Branches must be 4 foot or longer and placed at the curb (not in the street) in a neat manner with everything facing the same direction
- Branches should be put out no sooner than the weekend before the date of scheduled pickup
- Branches may not be left in the street due to new state Stormwater Management rules
- Root balls must be removed, bagged and placed in trash
- Shrubs and branches shorter than 4 feet must be placed in trash, they will not be picked up by chipping crew; they must be tied in bundles or placed in bags for the trash
- Contractors removing or trimming trees are responsible for disposal of all tree debris
- Again, we will not chip huge amounts for residents clearing lots
- Branches cannot be mixed with trash or vines
- If there is a problem with your chipping, it will be tagged with an orange sticker w/explanation

Snow Removal

- Sidewalks must be shoveled and de-iced within 24 hours of a storm
- As many cars as possible should be moved off the street to allow for thorough snow plowing
- Cars are required to be off the street in the Rolling Hills, Rolling Hills East and Deerwood Country Club developments
- Primary streets are plowed first
- Please wait to shovel driveways until your street is plowed; snow will be thrown onto your apron during plowing; it takes 3 or 4 passes to plow your street
- Sand/salt will be spread on main intersections, hills and primary roads
